the questions raised by a study of class and inequality are important but often complex this book succeeds in making them
understandable without oversimplifying and its breadth originality and easy style will appeal to a wide readership peter saunders
covers theories of social class as well as evidence on class inequalities in the contemporary period he analyses why class inequalities
exist whether they are inevitable whether they are unjust and how they are changing the analysis is comprehensive and up to date
and includes information on how the distribution of wealth and income and social mobility chances have been changing during the
thatcher years it also explores how the class structure is being affected by developments such as the spread of privatization and
individual shareholdings the rise of the yuppies and the emergence of an underclass on the theoretical side professor saunders gives
equal weight to marxist social democratic and neo liberal perspectives on class and inequality and writers as diverse as karl marx john
rawls and friedrich hayek all receive serious and balanced consideration

inequality in its many forms is becoming an ever greater problem in modern society the revised edition of this popular book explains
why it is so important to understand class and stratification and how the tools used to analyse these divisions can help us to
understand and confront problems of inequality this third edition of class and stratification has been extensively revised expanded
and updated incorporating discussions of contemporary economic and social change it includes discussions of political and economic
neoliberalism and its impacts as well as developments in social theory such as the emphasis on individualization and the cultural turn
new to this edition is a chapter focusing on cultural approaches to class analysis which together with established approaches are
used to explore new developments in social mobility educational opportunity and social polarization the book will be essential
reading for upper level undergraduate and postgraduate students in the social sciences seeking to understand the changing face of

social inequality by highlighting the damage increasing inequality is causing to the social fabric the book reveals the important part class continues to play in our lives today
